

Barbara Schrum

Barb,

It has really been great having you in one of my classes (math). I never really knew you until you came to the house so maybe sometime we'll all have to drink to new friends and the house. Have a good time this summer and I'll probably see you around if not I'll see you next year. Be sure and watch out for those keggers, parties and most of all MEW!

your friend,
Janja Cutilli
(class of '75)

Barb,
So a really sweet chick. I don't know you to well but maybe I'll get to know you better. Have a nice summer and take care. See ya around!

Donna Garbeck

Barb,
We'll have to go out and get drunk together again. You're funny when you're drunk.

Chuck

Barb,
From time
to time I've noticed
how you've made the
bus every morning with
all your troubles. Be good
and have lots of fun.

★ Barefoot Is Smash Hit

Opening night for the 1972 fall play, "Barefoot in the Park," was on December 8th, with another performance the following night. The play written by Neil Simon was produced by the Billings Senior High Drama Department and directed by Mr. Robert Saltee, with Mr. Mark Higdon as technical director, and Kathy O'Brian and Shelley Woods as student directors.

"Barefoot in the Park," is a play in three acts about the amusing events in the lives of Corie and Paul Bratter, a young newly married couple who live on the top floor of a brownstone on East 48th Street, in New York City. This delightful story tells about their problems, experiences, and encounters with the people in their lives such as Corie's mother, Mrs. Banks, and their rather unusual, upstairs neighbor, Mr. Victor Valasco. "Barefoot" was one of the smallest cast plays in Senior's history, but by the same token, it was also one of the best plays ever produced at Senior.

Mr. Robert Saltee, director, had this to say about the production: The cast of "Barefoot" was the best cast I have ever worked with, and it was a distinct pleasure working with such a talented man as Mr. Higdon.

Corie Bratter Lisa Hayes

Telephone Repairman Andy Schoneberg

The 1972 A.F.S. Follies were really something special to everyone who participated in them, worked on them, or attended them.

The annual event, which is sponsored by Z club, was presented on November 14 and 15, with the main purpose being to raise money for the AFS program at Senior. The follies included such acts as the overture by the Stage Band called the "Eat Man Boogie," "Happy Days are Here Again," by the Hi-Steppers, and the theme song "And Sundry Things" by the Soft Shoes.

Tim and Bruce Cranston also entertained the audience with their rendition of "Music," and a skit called "Last of the Red Hot Lovers" was presented by Lisa Hayes and Nick Olcott. Also, the Junior Majorettes danced to the song "Apple on a Stick."

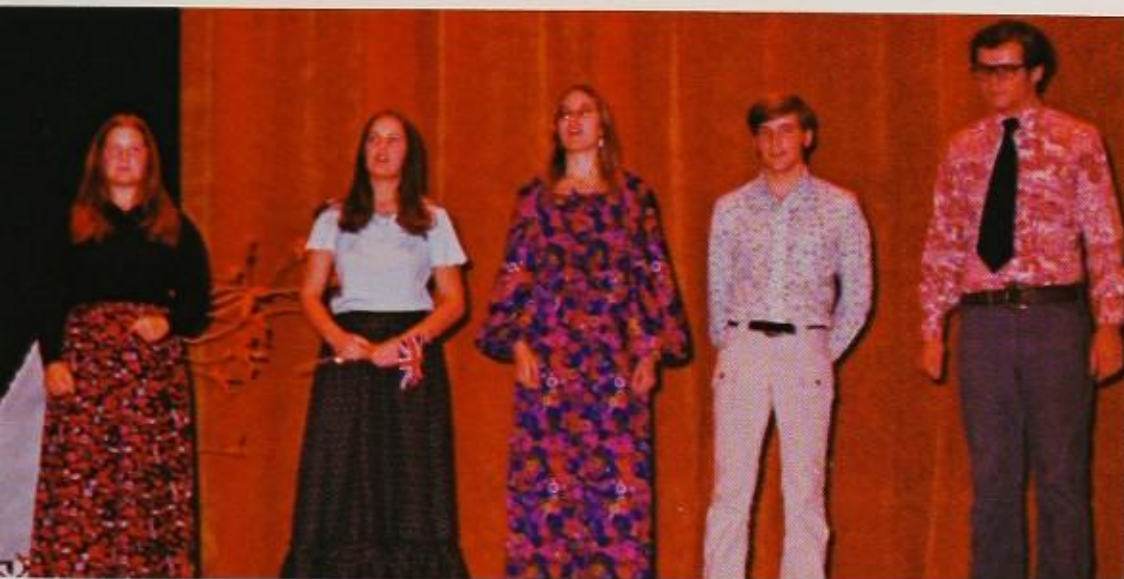

On a more nostalgic note, Doug McShane sang "Darling, Be Home Soon," while accompanying himself on the piano. The Stage Band again delighted the audience by playing "Cherry Point" a very whimsical tune. The Senior Majorettes also enticed the crowd by dancing to "Tea for Two." One of the funnier acts of the program was an excellent impression of Laugh-In's Edith Ann, by Chrystie Smith. Mimi Berger, captivated the audience by singing "I don't Know How to Love Him." Cathy Hansen, in her unique and beautiful way, sang "Some Kind of Wonderful."

One of the most exciting acts was a 50's Rock Revival by a Rock Group comprised of Doug Erikson, Doug McShane, Rick Davidson, and Bob Packwood, who "rocked" the auditorium with a series of songs like "Blue Suede Shoes." The Trepp Family Singers sang a medley of songs including "Crescent Moon," "They Call the Wind Maria," and "O Happy Day," with Lashelle Terry as soloist. The program was brought to a close with the entire cast singing "Happy Days are Here Again."

The competitive speech and competitive drama under the direction of Miss Marilyn Brookshire, Mrs. Trudi Downer, and Miss Bonnie Archer had a very busy year. The competitive drama, under the able leadership of Miss Archer, competed in many meets throughout the state. During the year the speech team, which is composed of both debate and forensics teams, also competed in many meets. Mrs. Downer headed the debate team and Miss Brookshire was in charge of the rest of the forensics. Congratulations on a good year!

Boys State

On June 4-10, delegates from Billings Senior attended Boys State in Dillon, Montana, on the campus of Western Montana College. Dick Myhre was chosen as Governor of Boys State and Tom Gomez as Attorney General. Our delegates learned much in the way of state government, and also met representatives from many other schools throughout the state. The annual event, which is held for the benefit of boys in the summer of their junior year, provides a great experience and a good time for all.

Girls State

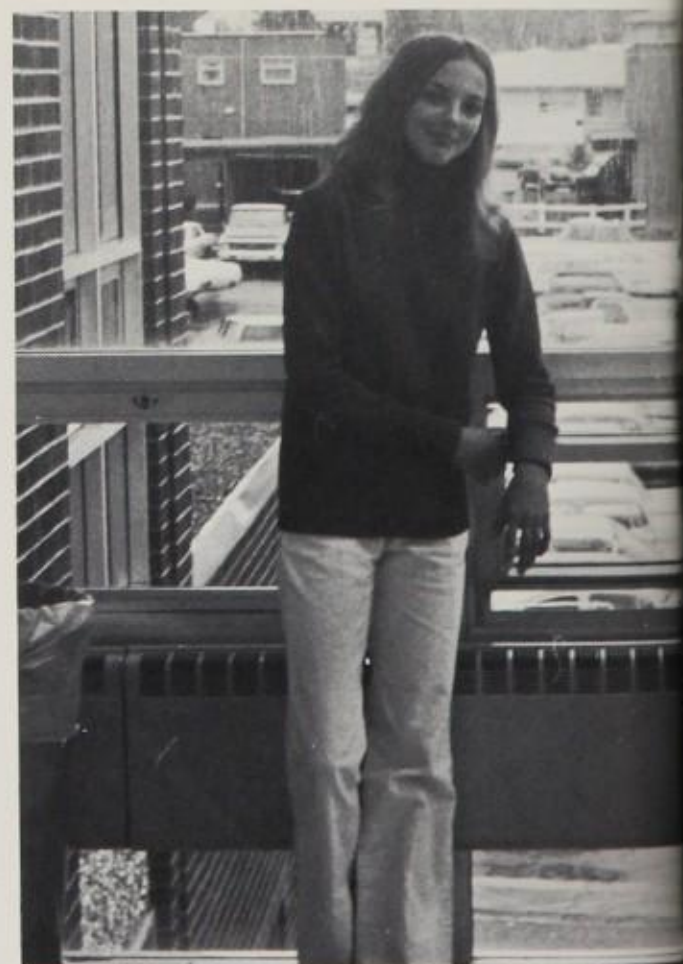

Girls State met June 4-10 on the campus of Carroll College, in Helena. Once again, a Billings Senior student, Ann Regan, was chosen as governor of Girls State. Along with Ann, Susie Corning was chosen Supreme Court Clerk and Marcia McIntosh as Auditor. The Girls experienced many new things in government, and at the same time, had a terrific week.

This year the Bronc staff was composed of seventeen industrious students, and our new advisor, Mr. Lloyd Mickelson. We worked everyday fifth and sixth period desperately trying to meet every deadline on time. The most frequently heard word in room 212 during this time was undoubtedly, "Help!"

The editors of this year's Bronc were Bonnie Merrill and Mike Bond. Our photography department was headed by David Bakker and Stan Jones. The sports section was put together by Myron Gwin and Bruce Parker. Two other very important people on the staff were Chris Kuchera, Ad Manager, and Carleen Kelly, Business Manager. Hopefully, all our combined efforts paid off.

The majorettes were very busy this year. They practiced from 7:30 to 9:00 almost every morning and again after school on Thursdays to entertain at halftimes during football and basketball games; they sold stationery; they ran concession stands at track meets; and they had a spring fashion show in order to earn money to help pay for their uniforms and accessories.

Together with their sponsor, Mrs. Kris Barker, and their managers, Kim Johnson and Carol Huckle, the majorettes have tried to improve their many performances by adding a little more fun and novelty.

Flag and Dance Corps Corps Becomes Established

The corps worked hard this year to put on better halftimes for the 72-73 school year. During the football season, the girls worked with Mr. Ferguson and the marching band. Basketball halftime routines had many different approaches. Props were added to give the routines some flair.

Sponsors, Miss Judy Jakab and Mrs. Marilyn Aden, gave an immeasurable amount of help to the corps in organization of money projects and trips.

Leo Litwin Experiences Deutschland

Dear Friends:

This past summer, I lived with the Walter Krob family in the small farm village of Altrich, West Germany. My time there has meant so much to me, but how can I explain all of the experiences in just a few short paragraphs?

My family in Germany was the greatest. I will cherish for the rest of my life the many warm moments I spent together with them. If I could pin point one particular understanding that I acquired during my summer, it would have to be that regardless of where one goes, down deep, people will always be the same. I was fortunate in being able to travel widely throughout West Germany with my family, meeting many new people, and developing a much larger scope of human understanding.

Above all, I would like to thank you, the students of Billings Senior High School, who have made this experience possible for me. Billings Senior has one of the best AFS chapters in the nation, a chapter we can all be proud of. I realize that there are only a very few who can participate in such an experience, and again I am very grateful to you all.

Yours,

Leo Litwin

Dear Friends,

Argentina is a very beautiful country, but to know it you have to know its people. It is people that make the AFS program what it is.

I can only praise AFS and hope that everyone somehow can be touched by it. In this way we come closer to that needed world understanding. We see that people are not governments, and that governments are not what the world is made of.

AFS has a spirit that touches everyone who has the slightest contact with it - that spirit changes people and the world.

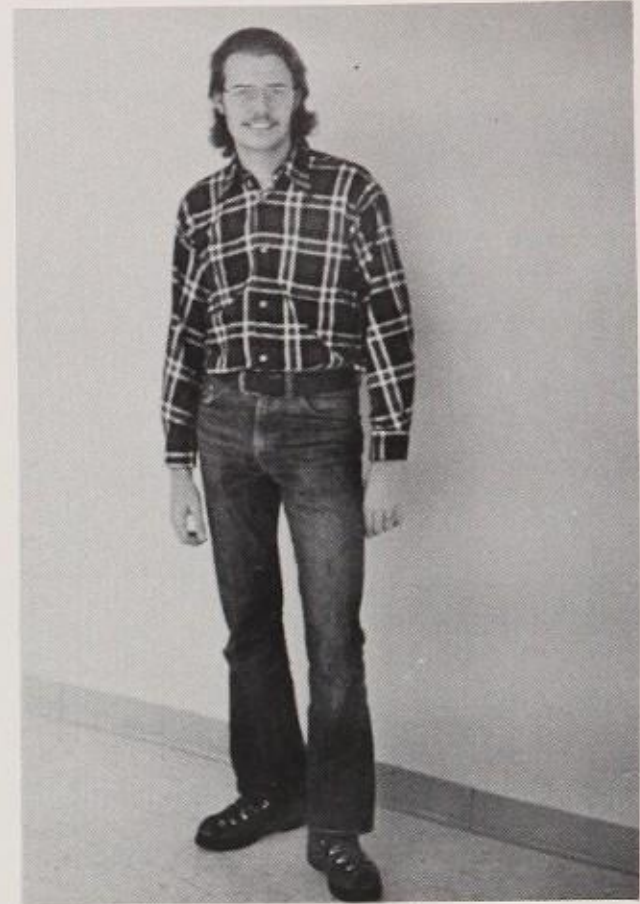

I truly believe that AFS can be summed up with one word,

PEOPLE.

Dear Friends,

Although I have only been here six months, I feel that I've really settled in very well and am quite at home. It's certainly been long enough to shatter my misconceptions about your Siberian weather and "cow-town" communities.

It really is a great experience to share in your culture and background and, perhaps, to let a little bit of mine rub off on you. Although I do not have any language problem, our societies differ dramatically in our outlook, the ideals we hold, and in our reactions; and, if for only the added insight that living with you has given me, I am very grateful. But, of course, it is for more than this; the friendship and acceptance that I have encountered, being so far from England, is the most valuable gain.

I do not know how many of you I'll meet again when this year is over - a few I'm sure - but I will always retain fond memories of Billings and all the people I knew here.

Steve

Senior's Own "Steven Douglas"

AFS student from Essex, England, Steven Douglas.

Dear Students,

Thank you very much for making it possible for me to come to Billings. The AFS program has been a great opportunity. My experience here has led me to a better understanding of myself, other people, and their problems. Even though there were days of homesickness, days of hard work, and days of fun and games, I enjoyed them all.

I would like to thank you also for all the many small and great things you have done for me during my stay in your country. I am sure that many of you are not aware of these deeds, but I want to thank you anyway.

Someday you will hopefully get a chance to come to Germany. When you do please come to see me. I hope to see you all again someday in the future.

Youth for Understanding

Alo,

When I found out that Youth for Understanding was sending Brazilian students to the USA for 6 months, I took a test. I passed the test and in January of this year (1973) I came to the U.S. With me came many students, all wanting to learn a new language and to learn about new customs and new people. Now I am in contact with American people and am learning your customs, your thoughts, your origins, your language, and your whole way of life.

I am happy in America principally because I am in contact with good people. My American family (Melvin Lingle) treats me as a son. I enjoy much my new friends and teachers who are friendly and very hospitable. I think I am learning many new things here that I will use for the rest of my life. I thank you. I hope I can return the friendliness in the best manner possible.

On December 18 and 20, the Billings Senior High Choral department presented its annual Christmas Concert, "Christmas in Song." The various choruses, including Concert Choir, Varsity Choir, Girls A Cappella, Chamber Singers, and The Trepp Family Singers all captivated the audience with their moving and inspiring performances of new and traditional Christmas songs. All this and more combined to make the 1973 Christmas concert a smashing success.

NJROTC Excels in '73

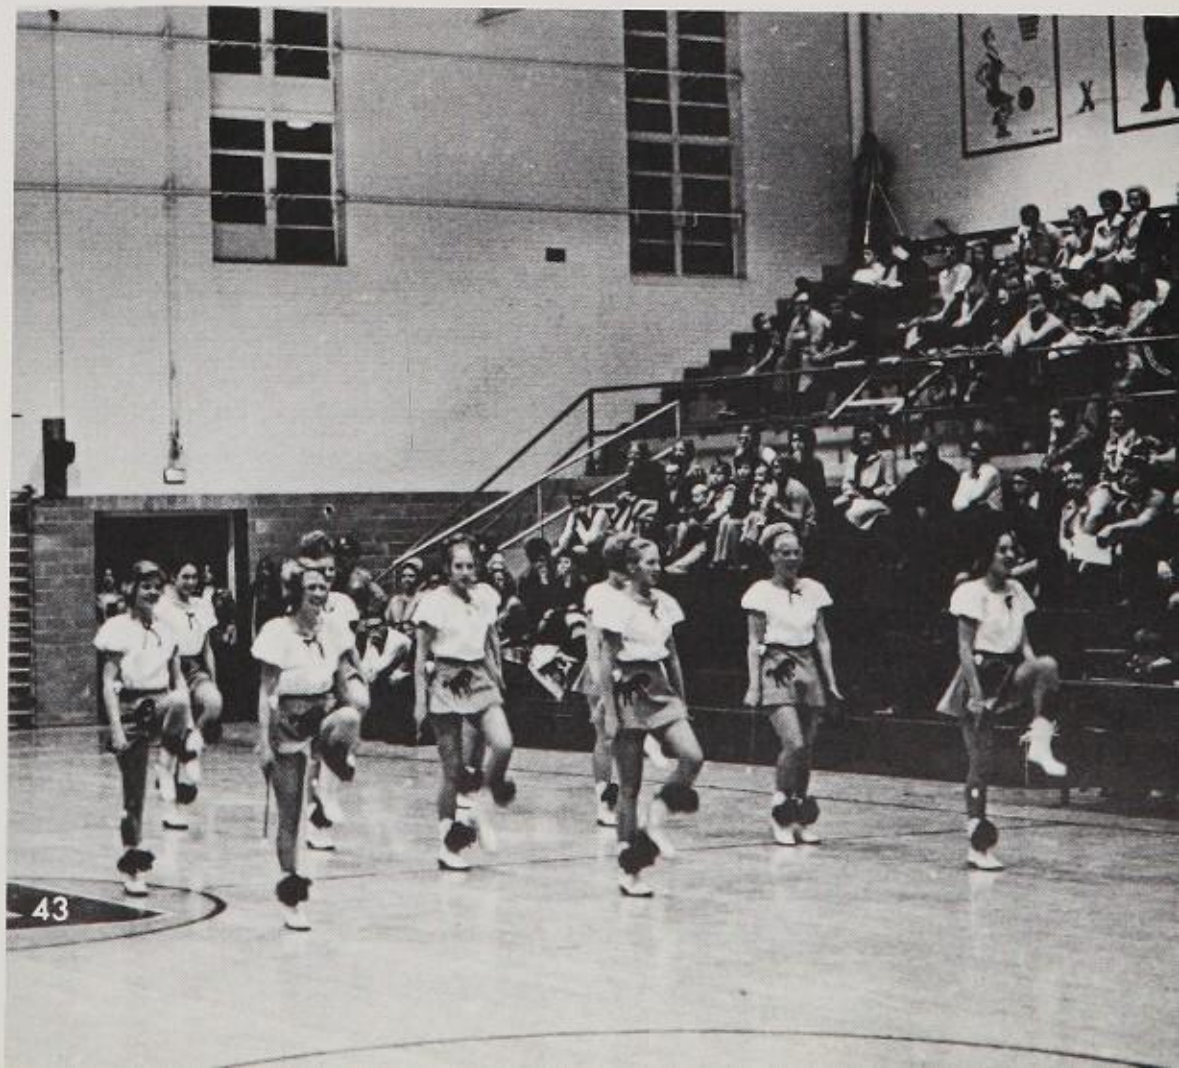

The 1973 NJROTC cadets and officers experienced many new things, and some old traditions. Some of the experiences that greeted the new cadets were the survival outings, the inspections, like the one shown here, and some interesting lectures on the subject of Naval Science. Some of the old traditions include the annual ROTC Ball and the presentation of the colors at athletic events.

The Bronc J. V. 's wrapped up the 72 season with a 20-12 loss to the West High J. V. 's. Despite their loss to West, the J. V. 's fared very well this year as shown by their 5-3 season record. Next year's football team should do very well if the players keep on playing the same way they did as J. V. 's this year. They did a lot to add to the general high spirit of the team.

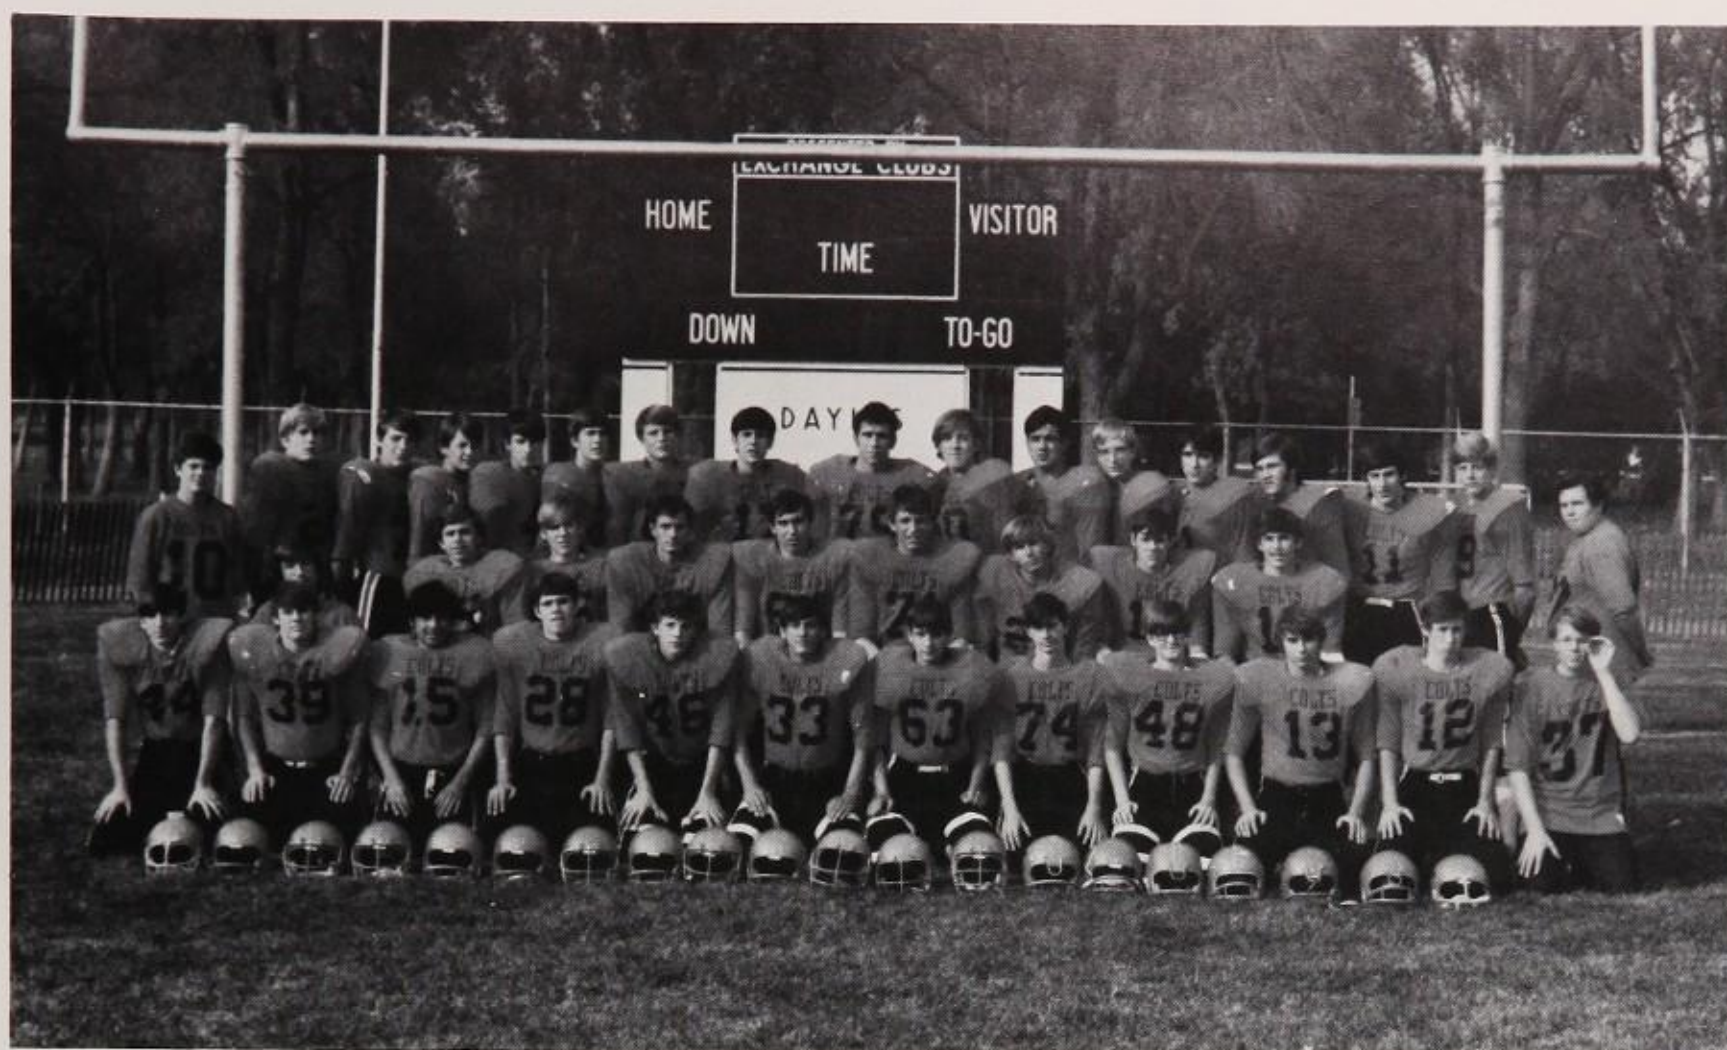

TOP LEFT: The J.V.'s pile on a West High Bear. ABOVE: Tri-captains of the Broncs, Terry Klimper, John Reitz, and Chuck Reilly. LEFT: Coach Jimison gives the defensive squad a few last minute instructions.

After a rather disappointing start, the Bronc team, with the help of the student body, the team captains, and the coaches, fired themselves to a winning fervor. Both the offensive and defensive squads developed some winning ways. The 2-7-1 season record of the Broncs did not reflect the personal pride of the players and student body in the team. One of the more disappointing moments of the year came when the Broncs dropped the city title to the Bears for the first time in eight years. We leave it to the next years team to avenge this loss. Even though we lost to West as a team, when the players were named to the all-city team, we came out ahead of both West and Central. The Broncs named to the team were John Reitz, Dan Haman, Terry Klimper, Chuck Reilly, George Rodriguez, and John Jorgenson.

The Billings Senior Colts, led by Coaches Ralph Moerer, Gary Johnson, and Frank Kolendich, ended with a remarkable 7 wins and 1 loss record. The Colts who were not only led by their offense who scored 209 points, but also by their strong defense which held opponents to only 40 points, won their first 4 ball games before a disappointing 16-8 loss to the Great Fall Russell Sophomores. The Colts came back to win their next 3 games. Offensive leaders throughout the year were Jack Walker, Dick Gilbert, Bill Jones, and Brian Van Valkenburg. Defensive leaders were Sandy Rietz, Norm Miller, Ed Mutch, Randy Hunter, Pat Murphy, and Carl Amala. This year's strong team promises to make the Broncs, along with the mighty Juniors, a state power for next year.

The highlight of the season was a 14-13 win over the Tongue River, Wyoming, Varsity which was undefeated and ranked first in Class C Division in Wyoming. The Colts' lone loss of the season was to the Great Falls Russell Sophomores. The Russell Sophomores ran a razzle-dazzle play on the first play from scrimmage that went for 80 yards and a touchdown that left the Colts stunned, and by the time they came out of the daze they were trailing 16-8. Defensives took over the remainder of the game and the score stood at the end of the game 16-8.

This year the Girls Cross Country Team excelled by taking 3rd in State competition. They won dual meets over Billings West, Missoula Sentinel, and Great Falls Public. The team also won the Eastern Montana College Invitational. These awards were accomplished only through the effort of the entire team and the coaching of Miss Phyllis Miller.

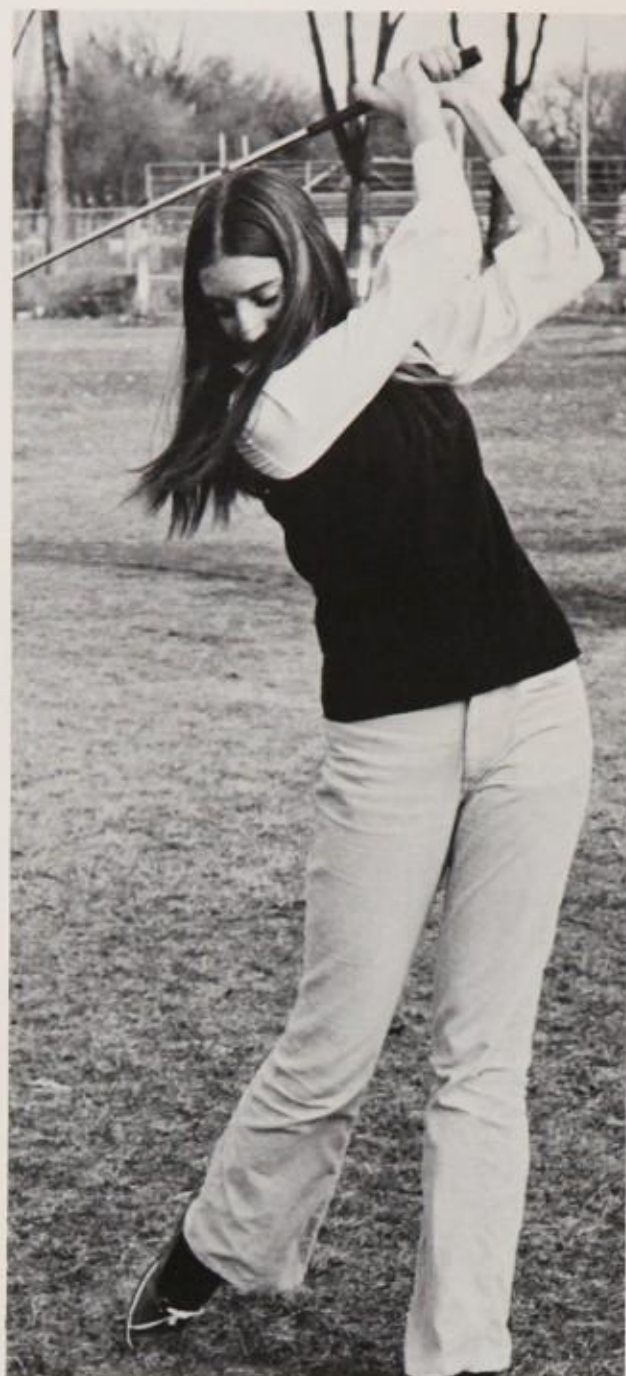

Senior Julie Brown succeeded again. She is the outstanding Cross Country runner. Julie took first in the State competition held in Helena. She set a new course record of 8 minutes 16.5 seconds. Julie has been the top runner for the past 3 years and will always be remembered for her "efforts."

The nucleus of this year's golf team consisted of five seniors, four juniors, and one sophomore. They were Susie Corning, Kathy O'Brien, Jeanette Jones, Pam Allen, Dan Cox, Steve Oliver, Skip Stanaway, Larry Woods, Bob Michotte, and Tim Enstrom. The team travelled to such far-a-way places as Laurel, Harden, Miles City, Great Falls, Lewistown, Helena, and Glendive in order to represent Billings Senior. While all the team members did not always finish first, they all tried their best for the team.

Intramurals Add to Bronc Spirit

The Boys' Intramurals, headed by Mr. Pasquarello and assisted by other members of the faculty, drew a lot of attention and participation from the student body this year. The teams were as varied as the participants. They included such names as the Raiders, Spartans, Cougars, Standouts, Gunners, and Spooks. Basketball, volleyball, and football were offered to students again this year. Strong gains were seen in the number of participants involved in both intramural bowling and swimming. The Senior High Championship volleyball team defeated West's Championship team this year to lay claim to the city high school volleyball title.

One of the main attributes of the high school intramural program is that it allows students who aren't involved in varsity competition to participate in the sport of their choice.

Colts Show Talent for Future

The Billings Senior Colts, led by a strong team effort the entire year, came through the tough season against Varsity and J. V. teams along with Sophomore teams with a better than a .500 season. Led by Carl Amala, John Decker, and Craig Harper the Colts came through with a nine game winning streak midway through the season. The Colts ran into trouble near the end of the season, but Sandy Reitz, Casey Lindsey, and Dick Gilbert gave the Colts a big boost and brought an end to the draught. Other players that did a fine job were Monte Wise, Rod Kautz, Bruce Parker, Jon Strutz, and Jim Jacobsen. The entire Colt team did a fine job this year and Coach Johnson was very pleased. The Colts practiced at 6:00 a.m. every morning. Even though many boys didn't suit up for every game, they still endured these practices and they deserve alot of recognition.

Self Defense Comes to Senior

A new unit was added to this year's boys' gym classes at Billings Senior. Changing the pace in the P. E. curriculum was a Judo unit, under the direction and supervision of Mr. Larry Chouinard, a student teacher for Mr. Pasquarello. The classes learned the basic steps of Judo used in self-defense. When Mr. Chouinard was asked how he felt about introducing the unit to the classes he said, "Everybody should know some form of self-defense. Initial Judo and Karate moves are both very much like beginning ballet. It's just as easy for women to learn as for men. We hope that in the future it can be accepted as a club or sport." Karate was also demonstrated by Mr. George Radovich, a student teacher for Mr. Mickleson.

DIVISIONAL SCORING

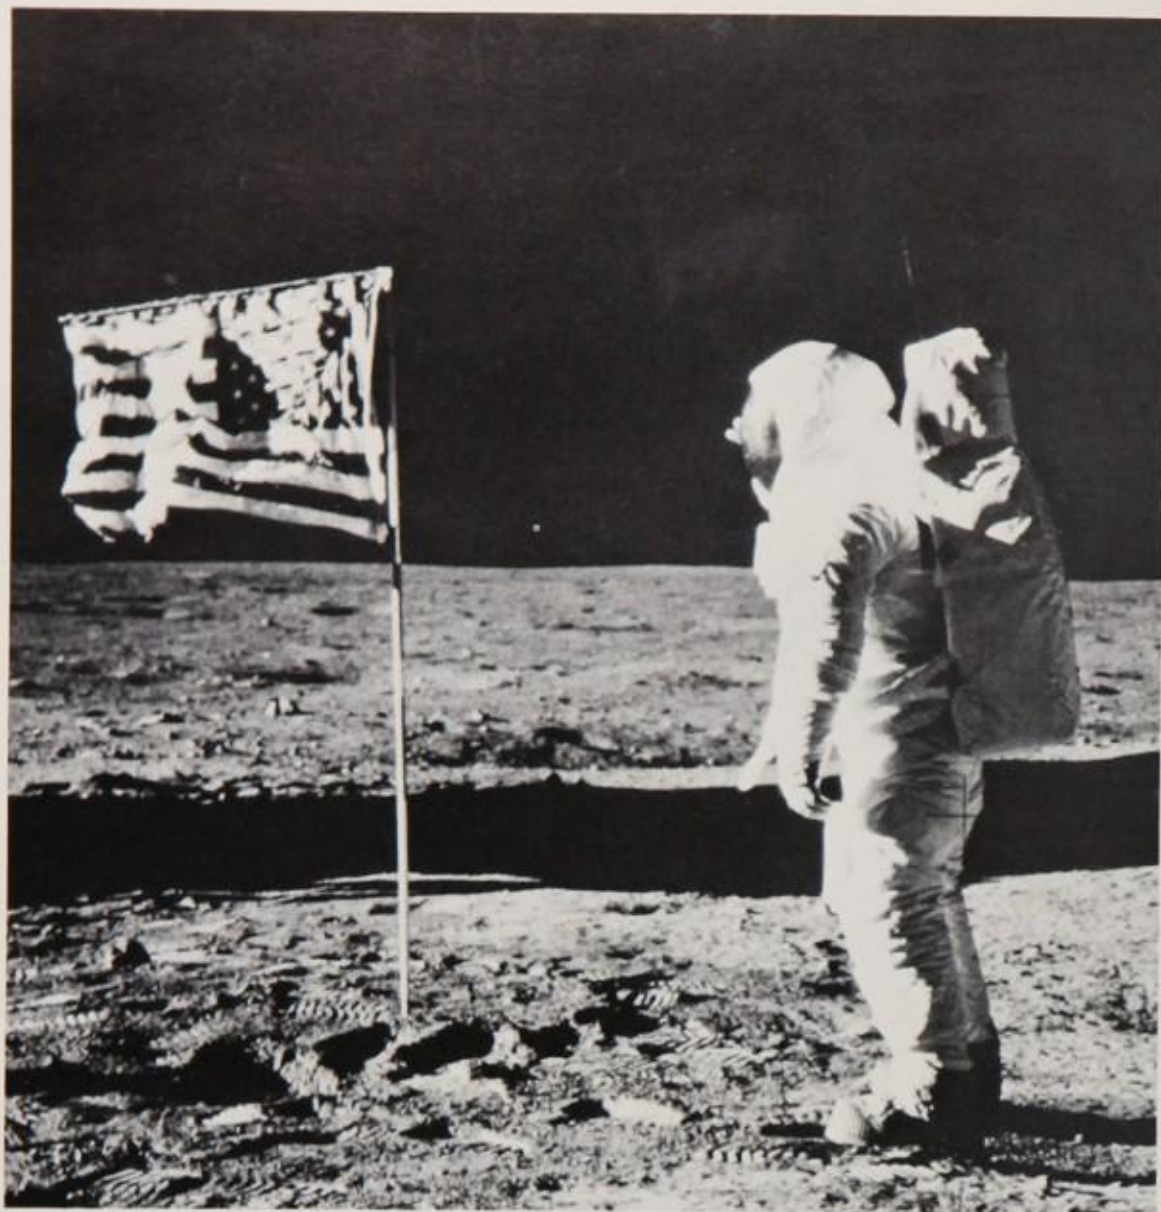

SENIOR	62	vs.	West	45
SENIOR	62	vs.	Russel	78
SENIOR	64	vs.	Livingston	61
SENIOR	59	vs.	Havre	67

SENTINEL VS. SENIOR

The Broncs opened the Class AA State Tournament with a loss to Missoula Sentinel. Despite the Spartans being ahead at the end of each quarter, the game was a close one until the end of the third quarter with the score 46-36. The Broncs had many scoring opportunities, but the ball would not fall through the hoop. The Spartans won, 65-49. The high-point men for the game were Jim Rogers, with 14 points and Jeff Carroll with 10. Rogers and Carroll both had 6 rebounds each.

RUSSEL VS. SENIOR

The Senior Broncs played the Rustlers in their second game of the tourney, which was a loser-out game. Russel's zone defense kept Senior's offense at bay the entire game while the Rustlers kept finding holes in the Senior defense. The score by quarters was, 15-13 first, 33-21 second, and 52-40 at the third. The Rustlers won 73-54. Randy Hunter and Jack O'Leary were the high-point men for this game, with 11 and 10 points, respectively. John Carstensen had the most rebounds at 10, and Randy Hunter had 9.

In December of 1972, the last of the Apollo missions, Apollo 17, landed on the moon and returned safely to earth.

Barb
 Hey whatever
 happened to lunch?
 Oh well!! It was great getting
 to know ya! We'll have to
 get together from your job! Don't work
 to hard back! Take it easy and I'll see
 ya next year!

Barb
 Although I only met
 you this year. You
 were a really fun
 person to be with
 and don't change,
 because then I
 won't know you.

lots of
 happiness,
